

# Sankaty Head Lighthouse Move

*Sankaty Head Lighthouse is at her new home. Thanks to the many donors and volunteers who were Lighthouse movers. The move week was a time of community celebration and excitement that could not have happened without our volunteers. We at the 'Sconset Trust will continue our work on the restoration and maintenance of the Lighthouse as well as fundraising for the Sankaty Head Lighthouse Fund. Your support will keep Sankaty Head Lighthouse shining for generations to come.*
